● Media Report

12 media releases were distributed on a range of topics, including air pollution, gentrification, climate adaptation, food poverty and the fashion industry.

Coverage summary:

In total, **4 x TV segments** and **9 x radio segments** went out on conference papers. National coverage included *BBC News*, *The Sunday Times*, *The Guardian*, *Metro*, *The Daily Mirror*, *The Daily Express*, *The Independent*, *City A.M.*, *The Spectator*, and *The London Evening Standard*.

Media releases:

- [16 08 16: Study finds schools in the South-East of England dominate access to Oxbridge](#)
Sol Gamsu (King's College London)
- [28 08 16: Small woodland ownership: the new middle class practice](#)
Professor Darren Smith et al (Loughborough University)
- [30 08 16: Study finds impact of road transport on air quality not given sufficient priority in UK transport planning](#)
Dr Tim Chatterton and Professor Graham Parkhurst (University of the West of England)
- [31 08 16: Why consumers use convenience food](#)
Dr Valerie Viehoff (University of Bonn) et al
- [31 08 16: Study finds urban farms are delivering huge benefits but lack adequate support](#)
Dr Michael Hardman (University of Salford)
- [31 08 16: UK local approach to climate adaptation 'reactive' and potentially unequipped to deal with future climate impacts](#)
Dr Andrew Kythreotis (Cardiff University) et al
- [31 08 16: Study finds stark divergence in UK home ownership between ethnic groups](#)
Dr Antoine Paccoud (Luxembourg Institute of Socio Economic Research (LISER))
- [31 08 16: A 'one-size-fits-all' approach to climate change adaptation will leave Scottish Island communities vulnerable to the effects of climate change](#)
Fiona Cunningham (University of St Andrews)

- [31 08 16: Study finds 4% of people in England cannot afford to feed themselves](#)
Dr Dianna Smith (University of Southampton) et al
- [31 08 16: Study finds London's established elites feel pushed out of the capital's most exclusive areas](#)
Dr Luna Glucksberg (London School of Economics and Political Science)
- [01 09 16: The changing face of fur in the fashion industry](#)
Dr Jana Kleibert (Leibniz Institute for Research on Society and Space)
- [02 09 16: Border closures are not the answer to Europe's migration crisis](#)
Professor Heaven Crawley (University of Coventry)

Coverage:

16 08 16: Study finds schools in the South-East of England dominate access to Oxbridge

- Talk Radio
- BBC News [Geographer maps Oxbridge success of London state schools](#)
- The Mirror [State school access to Oxford and Cambridge 'dominated by elite institutions in the South East'](#)
