

Chartered Geographer (Teacher)

**Royal
Geographical
Society**
with IBG

Advancing geography
and geographical learning

- **Demonstrate your geographical expertise in the classroom and beyond**
- **Support your career progression**
- **Develop your professionalism through CPD**
- **Network with geographers**
- **Support standards in geographical education**

Chartered Geographer (Teacher)

Do you have?

- An Honours degree in geography (or equivalent) or B.Ed with geography¹
- At least six years of teaching experience
- A commitment to CPD, embedding it in your own practice and supporting others

Why not apply for Chartered Geographer (Teacher)?

- CGeog (Teacher) improves professional recognition and standing as a geography teacher
- Recognises professional standards in advancing and applying geographical knowledge and skills in teaching
- It can help you meet 'threshold' standards and support your application to AST or Excellent Teacher
- Demonstrates a commitment to the subject of geography and shows evidence of ongoing continuing professional development (CPD)

¹Or 15 years teaching experience for 'non graduate' geographers.
