

Make your own information booklet

- 1) Fold an A4 piece of card in half so its forms a book.
- 2) Use the fact sheets provided to create an information book about Kenya. There are 2 fact sheets for you to look at:
 - A country fact sheet
 - An environment fact sheet

Your information booklet will have 4 pages. Examples of the information you could put on each page are shown below. Remember that you will not be able to include all the information in the fact sheets, you will have to choose the most important and interesting parts.

There are questions and puzzles in the fact sheets, watch out for them and tell your teacher when you solve them.
