

Stars in your lives

Likes and dislikes resource

Your chosen star is really looking forward to spending the day with you. They really want to get to know you and spend time with you in your local area, finding out about what it's like. However, they don't want to just "hang out" or wander around aimlessly, so they've sent you a "brief" to help you plan a really good day...

They like... (This is what they <i>want</i>)	They dislike... (This is what they <i>don't want</i>)
<p>Walking (but not <i>too far</i>!)</p> <p>Mostly quiet roads</p> <p>Nice scenery – a nice <i>natural feature</i> or two along the way!</p> <p>A <i>human</i> point of interest or two, e.g. a museum, historical/interesting building, visitor centre, gallery</p> <p>Your favourite shop/place – remember, they want to get to know you</p> <p>Getting you back for your bus</p>	<p>Public transport – it's not great is it?</p> <p>Footpaths - there might be mud! Too many busy roads – all those fumes!</p> <p>Too many steep hills – a couple are OK but it's not an endurance test is it?!</p> <p>Wandering around endless museums and galleries for <i>hours</i></p> <p>Spending too long in the shops / in one place (they go shopping <i>all the time</i>!)</p> <p>Being late (they're a guest on a TV show that evening and can't be late)</p>
