“Why does Manchester’s water have ghosts?”

Who benefits from this Dam?

Why is this campsite located here?

Why are no motor boats allowed here?

Why is the water so blue?

Why are there trees planted around this lake?

Why have some of them been felled?

Why is there no camping or swimming?

Looking at the valley what might you normally find here?

At the church, looking at the graves and inside the church at the war memorial and other literature in the church, solve the mystery as to why there are ghosts in Manchester’s Water.
