Day and night

Cut the diagram out and stick it in your book. Now cut out the words from the word bank at the bottom and stick them in the right place on the diagram (you will not need all of the words).

Our planet spins [ ] or from [ ] to [ ].
It takes [ ] hours for one spin, we call this one [ ].

Extension:
Explain what happens when the moon moves between the sun and the Earth. What do we call this?
