Using Panoramio from Google

Go to [http://www.panoramio.com/](http://www.panoramio.com/)

1. **Sign in** or **Sign up** to access an account for yourself

2. Go to **Upload your photos**

3. **Browse** to find a photo (from your computer)

4. **Upload** it

5. Add a **title** (and notes if wanted)

6. **MAP** the photo

7. **FINISH** and view your photo e.g. in Google Earth

8. Check the **PROPERTIES** of your photograph. Right mouse button – then **highlight** and **copy** the URL… (i.e. to paste into Google Maps).
