if you want to get more cards in your collection you could spend your gold on these chests each card set will give you super good rewards but it might be quite difficult to complete each and every one of them some card sets have limited cards so they will be a little bit hard to get

**another easy way to score some free spins is by completing village tasks as you complete these tasks you ll earn rewards like coins and xp as well as the occasional free spin completing all of the tasks in a village will also unlock that village s chest opening the chest will give you even more rewards including you guessed it more free spins**

**the reward calendar is the superficial best form to collect free coin master spins play coin master daily and gather your bonuses daily there are numerous mixed rewards you will be capable to acquire from the rewards calendar**

comme expliqué ci dessus dans la section cartes les coffres peuvent être achetés dans la boutique en jeu pour les coins tous les coffres peuvent vous donner des cartes d un niveau de qualité jusqu à 5 étoiles mais les coffres les plus chers ont plus de chances de laisser tomber des cartes de meilleure qualité les coffres de niveau supérieur ont également moins de chances de laisser tomber des cartes de bas niveau que les coffres de bas niveau donc si vous recherchez une carte particulière à 1 2 ou 3 étoiles pour compléter une collection de cartes vous voudrez dépenser des coins sur les coffres de niveau inférieur

thus our personal suggestion is that you should place a reminder such that you see or visit coin master every 10 hours at the minimum when you see coin master consume whatever spins that you have this way you will earn even more free coin master spins

every day players are given five free spins which can be used on the slot machine if you re lucky you can use these free spins toearn a large number of coins however if you re unlucky you may not win anything at all

we invite you to come back to our site every day to learn about the different links of the day for coin master without having to browse through dozens of dubious websites in search of valuable resources for your village
