completing card sets will grant you a large number of free spins you must gather all of the cards in a set once you have collected all of the cards in a set you will be awarded a large number of free spins but because we want to take advantage of every opportunity to earn more free spins here is my advice always finish your set when the set blast card event is active to earn 30 more spins completing a set is an important component of coin master because it grants you a large number of free spins and raises your village s level and star count completing card sets isn t difficult normal cards are easy to come by in the official trading group and gold cards must be obtained from chests because they can t be sent

new links are updated almost every day in december some links for 25 spins ten spins and one million coins ten spins and one million coins and 25 spins were published last january 2023 then you can assume that you have only 1 day to use the links during this period you can win some free prizes but don t worry about 2 days you may miss the opportunity

to use coin master s free spins first you need to find valid links since the spins are released every hour you have to watch out complete your spin by entering the link as soon as you receive the notification and get rewarded you can participate in various events to get maximum spins daily

rhino est débloquent en complétant la collection de cartes de créatures lorsqu il est actif rhino a une chance de bloquer les attaques ennemies tout comme le fait un bouclier augmenter le niveau de rhino avec xp potions augmente les chances que rhino réussisse à repousser une attaque ennemie à son niveau de base rhino a 10 de chances d empêcher une attaque ennemie

it exists at the bottom right corner of the window in case the spin energy button is not at the bottom right corner of the window it goes to show that you do not have any coin master free spins left over for the day

many other forms of purchase packages are available in coin master regularly however we are not here to buy any package rather we are here to acquire a free spin from them yes one package arrives every day with the first piece available for free for a better understanding look at the illustration below so anytime you observe that 1st section free spin receives it don t forget to inspect every coin master package
