

Thirtieth International Geographical Congress Award

**Royal
Geographical
Society**
with IBG

Advancing geography
and geographical learning

● Recipients 2009-2019

2019: Dr Benjamin Chandler (Queen Mary University of London)

XX International Union for Quaternary Research (INQUA) Congress 2019 (Dublin, Ireland). 'Quaternary glaciations: Processes, sediments and landforms' and 'Proglacial lakes in the Quaternary'.

2018: Dr Melissa Murphy (University College London)

Polar2018, Davos, Switzerland. 'EN-7 Biogeochemical cycling in the Polar Regions: Terrestrial and Ocean interactions.'

2017: Professor JoAnn McGregor (University of Sussex)

Africa Centre for Cities International Urban Conference 2018 (Cape Town, South Africa). 'Land values, infrastructure and citizenship on the margins: Stateless citizens and partisan authority in Harare, Zimbabwe'.

2014: Dr Gemma Catney (University of Liverpool)

8th International Conference on Population Geographies; Ethnicity and Segregation session. Papers: Mixed Metros England and Wales: Towards and enhanced understanding of the complexities of segregation, mixing and diversity; The Geographies of Country of Birth and Ethnicity in the UK, 1971-2011. Unpublished conference paper.

2014: Dr Julie Durcan (University of Oxford)

XIX International Union for Quaternary Research (INQUA) Congress 2015. Paper titles: Changing Holocene palaeohydrology and civilisation in the Indian subcontinent, and; DRAC: dose rate and age calculator for trapped charge dating. Unpublished conference paper.

2014: Dr Sarah Mills (Loughborough University)

Nordic Geographers Meeting. Youthful lived citizenship: imagined politics and political imaginations. Paper title: '#generationcitizen: the politics and performance of National Citizen Service in the UK'. Unpublished conference paper.

2014: Dr Stephanie Mills (University of Plymouth)

XIX International Union for Quaternary Research (INQUA) Congress 2015. T17 Mountain Glaciation. Paper titles: The application of a glacier modelling approach to determine variations in the extend of the Kilimanjaro ice cap and the associated climatic implications, and; The cold climate geomorphology of the Easter Cape Drakensberg: A re-evaluation of LGM past climatic conditions. Unpublished conference paper.

2014: Dr Richard Williams (Aberystwyth University)

Gravel Bed Rivers 8: Bedload transport quantification. Paper title: Quantifying the morphological evolution of two contrasting gravel-bed river restoration schemes. Unpublished conference paper.

2013: Dr Heidi Burdett (University of St Andrews)

Coastal carbonate chemistry as a driver of sulphur biogeochemical processes. Ocean Sciences Meeting: Environmental variability and climate change: linking environmental variation and organism responses across scales, 23-28 February 2014, Honolulu, Hawaii. Unpublished conference paper.

2013: Dr Ed Garrett (Durham University)

Biostratigraphic evidence for multiple great earthquakes in south central Chile. International Geoscience Programme (IGCP) 588 5th International Conference, 4-10 May 2014, Anchorage, Girdwood and Cordova, Alaska. Unpublished conference paper.

2013: Dr Lorna Linch (University of Brighton)

Measuring sub-scour bulk strain in fine-grained sediment using the Metripol technique. Ice Scour and Arctic Marine Pipeline (ISAMP) Workshop, 20-22 May 2013, Newfoundland, Canada. Oral presentation.

2013: Dr Sam Moore (University of Oxford)

Increased losses of organic carbon and destabilising of tropical peatlands following deforestation, drainage and burning. American Geophysical Union: Sensitivity of Peatland Carbon Balance to Climate Change - Past and Future, 9-13 December 2013, San Francisco. Unpublished conference paper.

2012: Dr Franklin Ginn (Edinburgh University)

The reveal, the encounter, the experiment, the promise: the ethics of more-than-human geography. Dimensions of Political Ecology Conference on Nature/Society - Towards a Relational Political Ecology, 28 February - 2 March 2013, University of Kentucky, Lexington. Unpublished conference paper.

2012: Dr Gisela Zapata (Newcastle University)

Transitional flows between Columbia and London: housing and the migration-remittances-development nexus. XXX International Congress of Latin American Studies Association (LASA) – Toward a Third Century of Independence in Latin America, 23-26 May 2012, San Francisco USA. Unpublished conference paper.

2012: Dr Jill Crossman (Oxford University)

.....

Integrated monitoring and modelling of the Toklat River Catchment; forecasting extreme events in glacier-fed catchments. International Symposium on Glaciers and Ice Sheets in a Warming Climate (International Glaciological Society), 25-29 June 2012, University of Alaska, USA. Conference poster.

2012: Dr Nicholas Kettridge (Birmingham University)

The ecohydrological functioning of forested peatlands: Simulating the effects of tree shading on moss evaporation and species composition. Canadian Geophysical Union (CGU), 5-8 June 2012, Banff, Canada. Unpublished conference paper.

Negative feedback regulation of evaporation to drought with undisturbed and burnt peat. IAHS-ICC international conference, 11-15 June 2012, Alberta, Canada. Unpublished conference paper.

2011: Dr Katherine Brickell (Royal Holloway)

Plates in a Basket Will Rattle: Gendered Experiences of Divorce and Separation in Rural Cambodia.

Householding in Transition: Emerging Dynamics in 'Developing' East and Southeast Asia, 25-26 June 2011, Singapore. Unpublished conference paper.

2011: Dr Emma Watcham (Durham University)

A new relative sea level curve for the South Shetland Islands, Antarctica'. XVIII International Union for Quaternary Research (INQUA), 20-27 June 2011, Bern, Switzerland. Unpublished conference paper.

2011: Dr Mark Graham (Oxford University)

Broadband Internet and Expectations of Altered Development Trajectories for Kenya. Third Global Conference on Economic Geography, 28 June – 2 July 2011, Seoul, Korea. Unpublished conference paper.

2011: Dr Anna Hughes (Swansea University)

Rapid early Holocene retreat of Helheim Glacier, South-East Greenland. XVIII International Union for Quaternary Research (INQUA), 20-27 June 2011, Bern, Switzerland. Unpublished conference paper.

2011: Dr Harriet Hawkins (Aberystwyth University)

'Incites: an artist's book': exploring the critical spaces of collaboration. Fourth Nordic Geographers Meeting (hereafter the NGM), 24-27 May 2011, Roskilde, Denmark. Unpublished conference paper.

2011: Dr Fiona Hibbert (University of St Andrews)

British Ice Sheet dynamics inferred from North Atlantic ice-rafted debris records spanning the last 175 000 years. XVIII International Union for Quaternary Research (INQUA), 20-27 June 2011, Bern, Switzerland. Unpublished conference paper.

.....

2010: Dr Jakob Rupert Friederichsen (Manchester Metropolitan University)

Vietnamese/German collaborative research-for-sustainability: Making transnational science work locally? Sustainable Land Use and Rural Development in Mountainous Regions of Southeast Asia, 21-27 July 2010, Hanoi, Vietnam. Unpublished conference paper.

2010: Stephanie Mills (Kingston University London)

Late-Quaternary niche glaciation in the Lesotho highlands, southern Africa and Late Quaternary slope environments and associated climatic implications in the upper Sehonghong valley, eastern Lesotho. European Geosciences Union General Assembly 2010, 2-7 May 2010, Vienna, Austria. Unpublished conference paper.

2010: Katherine King (University of Brighton)

Encouraging active lifestyles: youth mountain biking in the UK. 11th World Leisure Congress, 28 August - 2 September 2010, ChunCheon, Korea. Unpublished conference paper.

2010: Rebecca Hodge (University of Glasgow)

Modelling tracer dispersal in semi-alluvial rivers. Gravel Bed Rivers 7 workshop, 6-10 September 2010, Tadoussac, Quebec, Canada. Unpublished conference paper.

2010: Jill Crossman (University of Birmingham)

Macroinvertebrate community and source water dynamics of spring-fed systems, of a glacierised catchment in interior Alaska. NABS/ASLO 2010 Joint Summer Meeting, 6-13 June 2010, Santa Fe, New Mexico. Unpublished conference paper.

2010: Melanie Lombard (University of Manchester)

Temporality in the nostalgic city. Association of Cultural Studies, Crossroads in Cultural Studies Conference, 17-21 June 2010, Lingnan University, Hong Kong. Unpublished conference paper.

2009: Dr Kathryn Yusoff (University of Exeter)

"Weather Central": Antarctic Science, Globalism, and Climate. First World Congress of Environmental History (WCEH): Livelihoods and Global Challenged: Understanding Human Interaction with Environment, 4-8 August 2009, Copenhagen, Denmark. Unpublished conference paper.

2009: Dr Stefan Krause (Keele University)

Krause, Stefan. (2009) Nutrient transformation in the hyporheic zone – A panacea for river restoration or a ticking time bomb. Symposium of the International Association of Hydrological Sciences, 5-12 September 2009, Hyderabad, India. Unpublished conference paper.

Krause, Stefan. (2009) Scale dependent importance of hyporheic nutrient transport and transformation for integrated river basin management. Symposium of the International Association of Hydrological Sciences, 5-12 September 2009, Hyderabad, India. Unpublished conference paper.

Krause, Stefan. (2009) Hyporheic controls on groundwater-surface water exchange and nutrient transport and transformation in lowland vs. upland rivers. Symposium of the International Association of Hydrological Sciences, 5-12 September 2009, Hyderabad, India. Unpublished conference paper.

2009: Dr Charlotte Lemanski (University College London)

The voices of the poor in urban governance: overlapping and competing spaces of community-level political participation in Cape Town. 8th Biannual Conference of the Southern African Geographical Society, 1-3 September, UNISA, South Africa. Unpublished conference paper.

2009: Dr Nicola Thomas (University of Exeter)

Exploring the historical geographies of arid zone science: W. J. Harding King's Ripples, Dunes and Depressions. 14th International Conference of Historical Geographers, 23-27 August 2009, Kyoto, Japan. Unpublished conference paper.

2009: Dr Jennifer Ann Dickie (University of Leicester)

The global applicability of soil parameter characteristics in semi-arid environment. 7th International Conference on Geomorphology, 6-11 July 2009, Melbourne, Australia. Unpublished conference paper.

2009: Dr Suraje Dessai (University of Exeter)

Climate Prediction: a limit to adaptation? World Climate Conference-3, 31 August - 4 September, Geneva, Switzerland. Unpublished conference paper.

2009: Dr Andrew Henderson (University of Glasgow)

Does the oxygen isotope composition of diatoms reflect climate? A case study from Alaska. 11th International Palaeolimnology Symposium, 23-26 June 2009, Guadalajara, Mexico. Unpublished conference paper.
