

GEOGRAPHY UNCHARTED

from the A Level curriculum
to the big questions of our
time, with Sussex Geography

Tuesday 7th July, 2026, 10am - 2pm

A free one-day conference held at the University of
Sussex for to explore Geography beyond A Level

Three exceptional lectures

**The British Empire and
its Afterlives: global
governance, uneven
development and
inequality today**

with Professor Alan Lester,
author of *The Truth About
Empire*

**Points of No Return?
What can be done about
Climate Tipping Points**

with Dr David Armstrong
McKay, author of *the Global
Tipping Points Report*

**How global systems
shape migrant
journeys: from
refugee camps to
small boats**

with Dr Ceri Oeppen,
author of *Refugees in a
World Without Aid*
